A NUMBER OF BILLS PASSED.

The Majority of Them Being Pension Measures and Necessary Appropriation Bills—Eight Sessions Held in Both Houses—Other Washington Dispatches.

WASHINGTON, March 4.—The senate passed the general deficiency bill with amendments, including one for the payment of the French spoliation claims. The conference report on the agricultural appropriation bill accompanied by resolution "that the bill ask for a free conference." The resolution was adopted, the report agreed to and the bill returned to conference.

The conference report on the pension appropriation bill was agreed to.

Mr. Hunt of Kansas submitted a discrediting report on the agricultural appropriation bill accompanied by resolution "that the bill ask for a free conference." The resolution was adopted, the report agreed to and the bill returned to conference.

The conference report on the pension appropriation bill was agreed to.

Mr. Taylor of Ohio moved to suspend the rules and pass the bill to provide for a commission of five persons on the subject of the aeronautic liquor traffic. The motion was defeated—yeas 77, nays 42.

After a brief debate the conference report was agreed to: yeas, 77; nays, 77.

Funeral of Senator Hearst Arranged.

WASHINGTON, March 4.—The arrangements for the funeral of the late Senator Hearst and for removing his remains to San Francisco, where the public funeral will take place, are about completed.

The special funeral train which will leave here Thursday evening or Friday morning will be provided by the Pennsylvania Railroad company. It will consist of a baggage car, a dining car, two Pullman sleeping cars and Senator Stanford's private car, the latter for the use of Senator Hearst's family.

Bills Signed by the President.

WASHINGTON, March 4.—The president yesterday signed the postal subsidy bill, the immigration bill, the bill granting a pension to the widow of Gen. Kilpatrick, the Philadelphia mint bill and the bill on relating to the Hawaiian reciprocity treaty.

Mr. McCarthy respectively were adopted.

The Pope's Birthday.

ROME, March 5.—The pope yesterday received congratulations on the occasion of the sixtieth anniversary of his birthday.

He was born March 2, 1830, and was elected to the papacy on the death of Pope Pius IX, being crowned pope March 13, 1858.

On receiving the visit of the archbishop of cardinals, his holiness compared the position on anti-slavery of the church in present times with the position of the church in the days of Pius IX.

SCOTTDALE, Pa., March 4.—Constable Chick of Uniontown arrived here yesterday armed with warrants for the arrest of all the principal labor leaders in the coal region. It is said that the arrests are being made at the instigation of Constable Rainey, who is engaged in a bitter war with the United Mine Workers.

James W. O'Kearney, Vice-Secretary of the American Federation of Labor, and many others were arrested yesterday and promptly gave bail or became free.

The indictment charges the men with committing unlawful acts, such as conspiracy to take the life of Thomas Edison, president of Rainey's Paul Works, engaging in riot, committing assault upon miners and others.

The view is taken that is held by the majority of the league men, and on this line that the fight will be made.

INTERVIEW AT LEAGUE MEETING.

BUFFALO, March 4.—The International Egg and Poultry League held a meeting at the Hotel New York yesterday afternoon. Seven cities were represented by delegates and two others by proxy. The list of cities directly represented was as follows: Buffalo, President Franklin; Syracuse, Manager Fraser; Troy, John T. Lothrop; New Haven, Manager Lurhmann; Albany, Thomas York; Newark, John W. Coates; Worcester, C. H. Greenleaf.

Egyptian Army Thoroughly Organized.

LEXINGTON, March 4.—A dispatch from Cairo says that the Egyptian army has been thoroughly organized under English officers, even down to subalterns.

It is said that the army is now ready to march to the front.

The judgment charges the men with committing unlawful acts, such as conspiracy to take the life of Thomas Edison, president of Rainey's Paul Works, engaging in riot, committing assault upon miners and others.

The indication of the strikers at the arrest of their leaders knows no bounds. They are making glaring threats and an open threat is seriously feared.

The strikers denounce the arrests as a conspiracy to raid the strike of its leaders.

Yesteray the Judge Acheson of the United States court granted the injunction asked for by Mr. Rainey against the Consellors' coal strikers, and warning them that if their depredations are repeated the United States marshal will be directed to arrest all concerned.

The discussion was continued by Messrs. Wickes, Evans, Aldrich, Daniel and Carlisle.

While the latter was speaking Mr. Allison entered the chamber with the conference report on the pension appropriation bill, and Mr. Carlisle yielded the floor to Mr. Allison, who then presented the report. It was very short and had application only to the question of fees in pension cases—the profit agreed upon being that the provision of \$300 did not affect existing contracts expressed on file.

The report was agreed to and the discussion on the copyright conference report was continued. Finally the vote was taken and the conference report on the copyright bill was agreed to: yeas, 77; nays, 42.

The conference report on the agricultural appropriation bill was then presented and agreed to. At 11:15 the senate proceeded to executive business.

House bill was passed to provide for the payment of bonds of the District of Columbia failing due on the 1st of July, 1891, and 1892.

The house bill to transfer the revenue cutter service was again taken up, and Mr. Sherman moved to postpone its further consideration till the first Monday in December next.

The floor was yielded to Mr. Pasco, who, at 2:30 a. m., moved to reconsider the vote agreeing to the conference report on the copyright bill and also moved that the house be requested to return the bill to the senate.

The vote was taken on the latter motion and resulted, yeas, 13, nays, 22 (no quorum). A vote of the roll showed the presence of 47 senators. Mr. Allison suggested that the roll for the yeas and nays be withdrawn and that no other business be done except action on conference report.

In the House.

WASHINGTON, March 4.—In the house the conference report on the legislative bill was presented. An agreement was reached on all questions except the Senate amendment making senators' clerks annual civil service. A further conference was also ordered on the pension appropriation bill.

The democratic and concord conference report was submitted, the only subject in dispute being the Hawaiian cable provision. After several speeches for and against the provision, the house by a vote of 77 to 42 agreed to insist on a bill of agreement to the cable provision, the pension appropriation bill, the annual civil service and post-office appropriation bills, and the house, at 6 p. m., adjourned until 9 p. m.

Franklin Court Gets a Verdict Against the C. and E. for \$415.50—Other Cases.

Common Pleas court wrestled with the case of Franklin Court against the C. and E. and T. Ry. Co. from Monday morning until Tuesday noon, when the jury was charged and went out at 2 o'clock. They returned a verdict at 5:30 in the evening for plaintiff, assessing his damages at \$415.50. The verdict bears the marks of a compromise, and the time occupied in reaching it suggests as much. A CASE OF POVERTY.

A West Marion Family in Almost a Starvation Condition.

There appeared before Mayor Bud.

There appeared before Mayor Bud. Tuesday a woman of about thirty years, who recounted a most pitiful case. She almost choked with grief as she tried to tell a story of a half starved family of six children she had left at her home in West Marion to go out and seek something for them to eat. Her husband had gone to Toledo and secured work but pay day would be a month off, and a family who had not a bite in the house to eat were in a fair way of complete starvation before that apparent interminable month would arrive.

The lady said that she had never known what hunger was before. Her husband had lost his employment in the city, and in the search elsewhere for work the family had been deprived of the common necessities of life.

It was a touching appeal to the best side of human nature, and the mayor, gathering up his hat, started out on a foraging expedition. In course of an hour he had gathered up enough groceries, flour, meat, etc., to last the family two weeks, and sent them out to the unhappy home. Never was charity dispensed more acceptably and with happier results.

In Memoriam.

WHEREAS, We the chevaliers of Cuyahoga Marion, No. 65, Patriarchs Militant, in view of the loss we have sustained by the decease of our worthy chevalier George Hochstetter, and the still heavier loss sustained by those who were nearer and dearer to him, therefore be it

Resolved, That we sincerely condole with the friends of the deceased in the desolation with which it was pleased the all wise master of the universe to夺去 his life, and commend them for according to him who orders all for the best, but fearing the immortal spirit may disappear from our government, and it brightens another heart, hereinafurther another either with its gloom or light. Our blessed hope is immortality. At thoughts of this the gloom and the tomb outright no more devolve the grim monster death, to give it its final and seems a friend.

At thought of this the eager glowing heart lets go its hold on sublimine bliss, and longs to drop this cumbersome clod of earth and soar away and put on immortality. In view of this beautiful hour of promise the hope of immortality hangs over the valley and shadows of death to tell us of the retiring storm and the welcome calm of an eternal summer.

Resolved, That a copy of these resolutions be furnished the relatives of our deceased chevalier, that they be spread upon the minutes of this Canton and that a copy be furnished the papers of this city for publication.
